THINKPAD® USB-C DOCK

USB-C DESIGNED.
PRODUCTIVITY INSPIRED.

THE COMPLETE USB-C DOCKING EXPERIENCE

The ThinkPad USB-C Dock is the ideal hub, as part of an emerging industry-standard, for transmitting data, video and power to your USB-C compatible notebooks. With unprecedented USB-C productivity, you can enjoy vivid displays across multiple screens, charge your system, connect legacy USB peripherals, wired network, and rapidly charge your mobile devices. Perfect for a hoteling environment, shared workspace, or enterprises with high security requirements, the ThinkPad USB-C Dock is a benchmark to your workstation.

WHY YOU SHOULD BUY THE THINKPAD USB-C DOCK

One chord. Unlimited potential.
The ThinkPad USB-C Dock solution enables all USB docking functions including video, data, network, and other peripherals all while providing continuous power to your system.

Stunning 4K or Multiple 1080's
Experience vivid 4K visuals on a single screen or take multi-tasking to the next level with 1080p resolution across multiple displays.

Complete control
Ideal for being the centerpiece of your workstation, completely control your ThinkPad system with PXE boot, system Wake-on-Lan from sleep mode, hibernate mode, and power-off mode. Plus, it also supports passing ThinkPad MAC address through the dock.

THE THINKPAD USB-C DOCK IS BEST SUITED FOR

1 Being the centerpoint for a hoteling environment with multiple devices.

2 Enterprises with high security requirements within an IT infrastructure.

3 USB-C ThinkPad system users seeking a more productive workstation.
