2m Premium Certified HDMI 2.0 Cable with Ethernet - Durable High Speed UHD 4K 60Hz HDR - 6ft Rugged M/M HDMI Cord with Aramid Fiber - TPE - Ultra HD Monitors, TVs & Displays

Product ID: RHDMM2MP

This High Speed HDMI Cable with Ethernet withstands the daily demands of connecting your HDMI devices. Tested to endure strenuous wear and tear, the rugged cable is a must-have for both business and consumer applications.
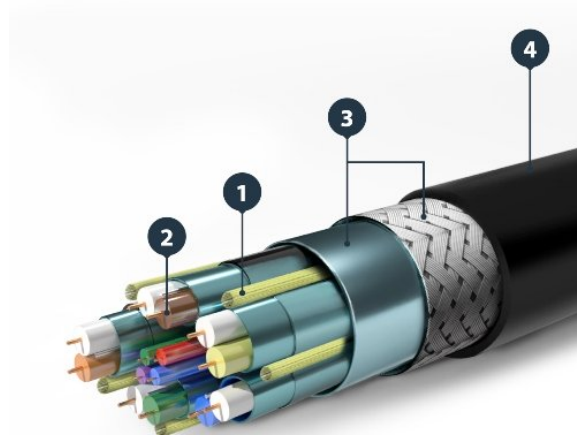

Built for Daily Use

The HDMI Premium Certified cable has aramid fiber reinforcement that braces it from the stress of frequent bends. This also lets the cable flex without over-stretching or damaging the core of the cable.

Cable Key Features

- •1. Aramid fiber adds strength and durability to the cable
- •2. Insulated conductors reduce friction, provide more flexibility
- •3. EMI protection with aluminum-mylar foil with braided shielding
- •4. TPE cable jacket is more flexible than a standard PVC cable

Flexible Strain Relief

The cable is constructed to prevent the connector from separating from the jacket. The extra-long strain relief molding is tested to withstand over 10,000+ bend cycles at a 180° angle.

Connector Key Features

- •1. HDMI gold plated connector with metal shield protects the circuit board from EMI and reinforces the connection point
- •2. Strain relief tested to tolerate over 10,000+ bend cycles at a 180° angle

Supporting all HDMI 2.0 specifications, this HDMI Premium Certified cable supports resolutions up to 4K 60Hz with a bandwidth of up to 18Gbps. The HDMI cable also supports HDR for higher contrast ratio and vivid colors providing an enriched and enjoyable viewing experience.

RHDMM2MP is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Connect 4K/Ultra HD displays and devices

Features

- PREMIUM HDMI 2.0 CABLE: Certified HDMI 2.0 with Ethernet w/18Gbps bandwidth; 4K 60Hz (3840x2160), HDR for high contrast ratio, 21:9 cinema aspect ratio, 3D, 32 Ch. multi-stream audio w/1536Hz sampling
- DURABLE: Ultra HD high speed HDMI cable w/Kevlar aramid fiber for high tensile (pull) strength for reliability & durability; Tested to withstand 10000+ bend cycles at 180° angle & 5000+ insertions
- FLEXIBLE CABLE: TPE jacket absorbs stress of frequent bends protecting the core of the rugged UHD HDMI cord. TPE is non-toxic, halogen free & RoHS certified for environmental sustainability
- APPLICATIONS: Ideal for home/office & travel, works w/your laptop for presentations via monitors, projector or large display w/ CEC functions; Compatible w/ HDMI 1.4 1080p HD & previous HDMI versions
- SPECS: 2 m (6.6 ft) | Black | HDMI 2.0 | HDMI Male to Male | 30 AWG | Reinforcement: Aramid Fiber | Jacket: TPE | EMI Shielding | Audio Return Channel (ARC) | BT.200 colorimetry | Lifetime Warranty

Hardware	Warranty	Lifetime
	Cable Jacket Type	PVC - Polyvinyl Chloride
	Cable Shield Type	Aluminum-Mylar Foil with Braid
	Connector Plating	Gold
Performance	Audio Specifications	Up to 32 audio channels with 1536Hz sampling rate
Connector(s)	Connector A	1 - HDMI (19 pin) Male
		1 - HDMI (19 pin) Male
Physical Characteristics	Cable Length	6.6 ft [2 m]
	Color	Black
	Connector Style	Straight
	Product Height	7.000
	Product Length	6.6 ft [2 m]
	Product Width	17.000
	Weight of Product	56.000
	Wire Gauge	30 AWG
Packaging Information	Package Height	205.000
	Package Length	150.000
	Package Width	20.000
	Shipping (Package) Weight	0.1 lb [0.1 kg]
What's in the Box	Included in Package	1 - HDMI Cable
